

Mask / Key Holder

Supplies

Included : wood, stencil, paint (brown and white), rope, cup hooks and brush

Not Included: rubbing alcohol, cotton balls, and stapler

1. Paint the wooden piece and let dry. (Optional: To see the grain of the wood through the paint, put rubbing alcohol on a cotton ball and then put some paint on the cotton ball. Rub the cotton ball over the piece of wood until you get the finish that you would like. See the pictures as examples.)

2. Trace the letters in the stencil with a sharp pencil.

3. Using the paint brush to fill in the letters that you just traced out.

4. Screw the cup hooks in the bottom of the board 1 inch apart.

5. Staple or glue the rope on the back of the plaque to create a hanger.

6. Time to hang.

If you have completed any of your crafts, please share them with us on our Facebook page or send to media@chathamlib.org. We would love to see what you have created.
