

Tassel Keychain

Supplies

Included : Embroidery floss, split key ring

Not included: Good, sharp scissors

1. Cut 12" off the color that you would like to wrap around the floss and set aside.
2. Insert both embroidery floss next to each other into the key ring with half of the floss on either side of the ring.
3. Wrap the piece of floss that was cut off around the two bundles near the key ring.
4. Double knot the extra floss tightly around the bundles.
5. Wrap the excess string around the bundle multiple times tightly. [One side wrapping to the left and the other string wrapping to the right.]
6. Tie in a double knot maintaining tight wrap.

7. Cut the folded ends of the thread with sharp scissors and trim excess string from knot.
8. Trim the ends of your tassel so it's neat and even.
9. Now you have a fun keychain or charm for your purse.
